

## NEW GARMENT PAY SCALE IS BOOST OVER 1919 WAGES

Increase Submitted by Manu-  
facturers Estimated at From  
34 to 86 Per Cent.

The Men's Clothing Manufacturing Association to-day announced its new wage schedule of piece-work rates, which has for its basis as a unit for calculation the production of average experienced operators. It is estimated the new scale will give workers increases in earnings over those of 1919 of from 34 to 86 per cent.

Thirty-three branches of the clothing-making industry are included in the new scale, which is said to be so arranged that workers will average about 50 per cent more than their average earnings during the period when the union scale reached its highest point the past year. It was pointed out by officials of the manufacturers' association that figures of the new scale sufficiently stagger the charge that a return to sweatshop conditions is proposed. A girl, for instance, who in 1919 earned \$12 a week, will make \$18 under the new scale, and pocket-makers, who in 1919 earned \$23, will make \$35.

Edney Hillman, President of the Amalgamated, when shown the manufacturers' piece scale figures, said this made nothing clear regarding definite prices to be paid for piece work. He added that it looked as if manufacturers were trying to reduce wages more than 33-1/3 per cent. A \$1,000,000 fund, it was announced, was being set up to fight the Amalgamated headquarters, is to be raised to aid members during the clothing workers' fight. Of this

\$500,000 has been pledged by representatives of the 44,000 Chicago members of the Amalgamated.

August A. Greber, Hackensack, N. J., died to-day in his home, East Broadway, Hackensack. He was forty-nine years old. Mr. Greber was a former Improvement Commissioner of Hackensack, was President of the First Ward Republican Club, President of the First Ward Park Association and former President of the Hackensack Field Club. A widow and three children survive.

Grocery Store in West Orange, N. J., Robbed—\$300 in Jewels Stolen From House.

Robbers early to-day broke into the grocery of Charles M. Decker & Brother at West Orange, N. J., took a big safe to a hill top and rifled it of \$322 in cash and \$122 in checks. The safe was

found at a stone quarry a mile from West Orange. A milk wagon driver, who passed the store at 5 A. M., saw no evidence of a robbery. It is believed the store was entered between

5 and 6 o'clock, when the quarry foreman found the safe. He said there were automobile tracks about the spot. The home of U. H. Tobman at No. 8 Lawrence Avenue, West Orange, was looted of \$200 in jewelry last night while the family was absent. Tobman was enroute to the spot. The home of U. H.
